WORK EXPERIENCE

Temple University
Instructor, Webmasters HTML
July 6 – 10, 2015

Developed lesson plans, slide shows, exercises and project for a class of sixteen 10-14 year old students. They cemented their understanding of HTML by building a fully functional webpage.

Hollister Creative
Web Designer
January 2014 – June 2015

See websites from concept through completion. Research, wireframing, visual design, and communication with web developers. Manage projects and communicate with clients.

Drexel University
Contract Graphic Designer
November 2013 – December 2013

Design print and web advertisements within university branding guidelines. Flash banner ads with motion graphics. Direct client interaction, internal communications and print production.
